CONDITIONS OF SALE.

— : o : —

FIRST.

The highest bidder to be the purchaser; and if any dispute arise between two or more bidders, the lot to be put up again and resold.

SECOND.

No person to advance less than one shilling at each bidding; above five pounds, three shillings and sixpence; and so on in proportion.

THIRD.

Each purchaser to pay down immediately a deposit of 25 per cent. in cash (no cheques taken) in part payment for each lot, and to give in his name and place of abode, if required, in default of which it will be put up again and resold. Any purchaser requiring his lot during the sale must pay for the same at the fall of the hammer, and be responsible for it from that time.

FOURTH.

The lots to be taken away, with all faults and *errors of every description*, at the buyer's expense, THE DAY AFTER THE SALE.

FIFTH.

Mr. STEVENS reserves to himself the right of refusing to take the biddings of any person who may in any way be deemed objectionable.

SIXTH.

Mr. STEVENS will not hold himself responsible or in any way guarantee the correct description of any goods offered for sale; but where the name of the vendor is not given, should any mistake occur, and he is unable to obtain redress, he will disclose the name of the vendor, that the purchaser may write and explain the cause of complaint.

LAST.

Upon failure of complying with the above conditions, the money deposited in part of payment shall be forfeited, all the lots uncleared within the time limited shall be resold, either by public or private sale; and the deficiency, if any, together with all charges of such resale, shall be made good by the defaulter at this sale.
